

Providence ElderPlace - PACE is open to anyone who:

- is age 55 or older;
- is able to live safely in a community setting;
- meets criteria for nursing facility level of care as defined by DSHS;
- lives in our service area;
- is Medicaid eligible or willing to pay privately (Providence ElderPlace premium equals the Medicaid rate).

For more information, please call **206-320-5325**. An enrollment specialist will provide you with details about state guidelines and eligibility.

What is the cost?

What you pay depends on your financial situation. If you financially qualify for Medicaid services, you may pay a monthly participation fee depending on your income. Those who do not qualify financially for Medicaid pay the Providence ElderPlace private pay premium. There are no co-payments or deductibles. Providence ElderPlace covers all necessary medical and social services, and the premium rate does not change based on your changing needs.

OUR CORE VALUES

Respect, Compassion, Justice, Excellence, Stewardship

Providence ElderPlace complies with all applicable Federal civil rights laws and does not discriminate on the basis of race, ethnicity, national origin, religion, sex, sexual orientation, gender identity, gender expression, age, mental or physical disabilities or source of payment.

Providence ElderPlace in Western Washington serves most of King County and parts of Snohomish County.

Providence ElderPlace PACE

Program of All-inclusive Care for the Elderly

An **Innovative Program**
Keeping Older Adults Independent
in the Community

Comprehensive care, simplified

Providence ElderPlace is a federally recognized Program of All-Inclusive Care of the Elderly (PACE) which offers a seamless provision of total care. Providence ElderPlace is both a health insurance and a health care provider.

Why is a PACE program a great option for older adults?

At Providence ElderPlace, the focus is on you, the participant.

Our team of medical and social care professionals, called an Interdisciplinary Team (IDT), is dedicated to coordinating and providing your health and long-term care services.

Your IDT is experienced in caring for older adults and provides individualized attention based on your needs and preferences. Frequent touch points and a team approach mean even small changes in health and well-being can be addressed preventively.

Your Interdisciplinary Team (IDT):

- Primary Care Provider
- Registered Nurse
- Social Worker
- Physical Therapist
- Occupational Therapist
- Recreation Therapist
- Mental Health Provider
- Pharmacist
- Dietitian
- Home Care Coordinator
- Van Driver
- Chaplain
