In spring of 2008, Rene Campagna (Mission Intergration) noticed stained glass windows framing the atrium ceiling at a Borders bookstore in downtown Portland, and recognized several of them as those which had been in the old chapel at Providence Portland. The windows were returned to Providence. See article in Caritas (Winter 2008), the newsletter of Mother Joseph Province.

These photographs show Campagna and Sr. Karin Dufault examining the windows, their removal and shipment.
