### Your guide to the words or phrases used to explain your benefits

**Coinsurance**  
The percentage of the cost that you may need to pay for a covered service.

**Co-pay**  
The fixed dollar amount you pay to a health care provider for a covered service at the time care is provided.

**Deductible**  
The dollar amount that an individual or family pays for covered services before your plan pays any benefits within a calendar year. The following expenses do not apply to an individual or family deductible:

- Services not covered by your plan
- Services that exceed your plan’s lifetime maximum benefit
- Fees that exceed usual, customary and reasonable (UCR) charges as established by your plan
- Penalties incurred if you do not follow your plan’s prior authorization requirements
- Co-pays or coinsurance for any supplemental benefits provided by your employer, such as prescription drugs, or routine vision care

**Deductible carryover**  
A feature of your plan that allows for any portion of your deductible that is paid during the fourth quarter of a calendar year to be applied toward the next year’s deductible.

**Formulary**  
A list of preferred brand name and generic drugs that have been evaluated by us for effectiveness and safety.

**Lifetime maximum benefit**  
The total dollar amount of benefits that you can receive from your plan during your lifetime.

**Non-participating provider**  
Any health care professional who does not participate in Providence Health Plan’s network of participating physicians and providers of health care services.

**Out-of-pocket maximum**  
The limit on the dollar amount you will have to spend for specified covered health services in a calendar year. Some services and expenses do not apply to the out-of-pocket maximum. See your Member Handbook for details.

**Participating provider**  
A physician or provider of health care services who belongs to the Providence Health Plan participating provider network. To find a participating provider, go to the online directory at [www.providence.org/php/providerdirectory](http://www.providence.org/php/providerdirectory)

**Pre-existing condition**  
A medical condition for which medical advice, diagnosis, care or treatment was recommended or received within six months prior to your enrollment date. You will need to be enrolled under this plan for six continuous months before services for pre-existing conditions will be covered. See your Member Handbook for details.

**Self-administered chemotherapy**  
Oral, topical or self-injectable medications that are used to stop or slow the growth of cancerous cells.
