Your guide to the words or phrases used to explain your benefits

Coinsurance
The percentage of the cost that you may need to pay for a covered service.

Co-pay
The fixed dollar amount you pay to a health care provider for a covered service at the time care is provided.

Formulary
A list of preferred brand name and generic drugs that have been evaluated by us for effectiveness and safety.

Lifetime maximum benefit
The total dollar amount of benefits that you can receive from your plan during your lifetime.

Non-participating provider
Any health care professional who does not participate in Providence Health Plan's network of participating physicians and providers of health care services.

Out-of-pocket maximum
The limit on the dollar amount you will have to spend for specified covered health services in a calendar year. Some services and expenses do not apply to the out-of-pocket maximum. See your Member Handbook for details.

Participating provider
A physician or provider of health care services who belongs to the Providence Health Plan participating provider network. To find a participating provider, go to the online directory at www.providence.org/php/providerdirectory

Self-administered chemotherapy
Oral, topical or self-injectable medications that are used to stop or slow the growth of cancerous cells.
