

Online health services

myProvidence = convenient, reliable

Providence Health Plan members can access information online, in one convenient, secure location known as "myProvidence." Register at www.providence.org/healthplans to access these services.

Access your records:

- Manage your medical claims, deductibles and payments.
- Read your summary of benefits and member handbook.
- Pre-register for services such as a hospital or surgical visit.

Search for doctors and other providers:

- Find doctors who accept your specific plan.
- Access maps and directions to our facilities.

Streamline your pharmacy needs:

- Locate a pharmacy near you.
- Find generic drug options.
- Have prescriptions delivered to you at home.

Get informed:

- Subscribe to our health e-mail newsletter.
- Research comparisons for hospitals and medical costs.
- Find out your health risks (and action plan) with the HealthQuotient assessment tool.
