All Providence Medicare Plans products available

Providence Medicare Plans products available through employer groups only

Providence Medicare Choice members may see any Medicare-approved provider, and all Providence Medicare Plans members have access to worldwide urgent and emergency care. All Providence Medicare Plans members enjoy coverage for routine vision exams, routine physicals and other preventive services, as well as 24-hour telephone medical advice from our Providence RN nurses. Wellness and value-added programs are included at no additional charge.

To learn more, visit [www.providence.org/healthplans/producers](http://www.providence.org/healthplans/producers) or contact your Providence Medicare sales representative at **503-574-6300** or **877-245-4077**.

We look forward to helping you grow your business.
