

Providence Health Plans

Selling Area for Open Option and Personal Option Products

Open Option: To be eligible for these products employers must have at least 90% of their employees or members residing and working within the Selling Area.

Personal Option: Available to employers with all employees residing within Oregon or Washington. To be eligible for these products, employers must have 90% of their employees or members residing and working within the selling area.

Contact your Providence sales representative for details.

All Providence group members can see providers who participate in the Providence networks in Oregon and southwest Washington, First Choice Health Network in Washington, and the MultiPlan/PHCS Network outside of Oregon and Washington. For participating providers, visit www.providence.org/healthplans.
