

Find your doctor, a hospital or an urgent care clinic near you

Because Providence Preferred is accepted by most doctors in Oregon and southwest Washington, chances are that you'll find exactly the provider you're looking for in our online provider directory. The "Find a Doctor" link is right on our home page.

"Find a Doctor" online at www.providence.org/healthplans

Select "Providence Preferred (PPO) to search all of our providers.

There are lots of great reasons to go online.

Your online directory not only saves paper; it also ensures that you are getting the most up-to-date results. You also can narrow your search by gender, specialty or one of 38 languages, such as Spanish, Russian or Cantonese.

Looking for an urgent care clinic or hospital? You'll find options near where you live and work by selecting the appropriate provider category in the "I'm Seeking" drop-down menu.

Need more help finding a physician?

Call our Customer Service team at 503-574-7600 or 800-793-9338, Monday through Friday, 8 a.m. to 5 p.m. Visit www.providence.org/php/ppo for more information about Providence Preferred PPO.

How good is your family practice, general practice or internal medicine provider at preventing and managing disease? Our online rating system makes it easy to find a physician who is proactive about keeping you well.
