

Step 1: Log In to Healthstream

You will log in to Healthstream to complete your online safety education assignments using the same user ID and password from when you claimed your account.

- Navigate to <https://www.healthstream.com/hlc/phs>

Step 1a: Enter login ID and password, click “Sign In”.

Step 1b: Click continue to be taken to your “To Do” list.

Step 1c: Complete the three priority assignments (Basic Safety; Patient Safety; and Compliance, Privacy & Security) If you have time, you may work on other assignments which need to be done within your first 90 days, or by their listed due date.
