

Napa County

Queen of the Valley Medical Center
Napa, CA

Queen of the Valley Medical Center, a 208-bed Level III trauma center based in the City of Napa, opened its doors in 1958.

The hospital core services include: acute rehabilitation, bariatric surgery, cancer, cardiac, emergency, maternity and infant care, neurosciences and orthopedics.

Synergy Health Club, a St. Joseph Health owned facility offering fitness and studio classes, is located on the hospital's campus and St. Joseph Health Prompt Care, an urgent care clinic, is located about a 10-minute drive from the hospital.

2019 Awards Include:

- **Blue Distinction® Center** for Knee and Hip Replacement
- **US News & World Report High Performing Hospitals** for congestive heart failure and knee replacement procedures
- **Healthgrades America's 250 Best Hospitals** named top 5 percent in the nation for clinical excellence in 2019 and 2020; named a Five-Star recipient for treatment of sepsis and stroke
