[eBooks / eJournals](#)

[Ask Us](#)

- Available on site and remotely.
- Doesn't require logging into local networks.
- Offers improved remote access.

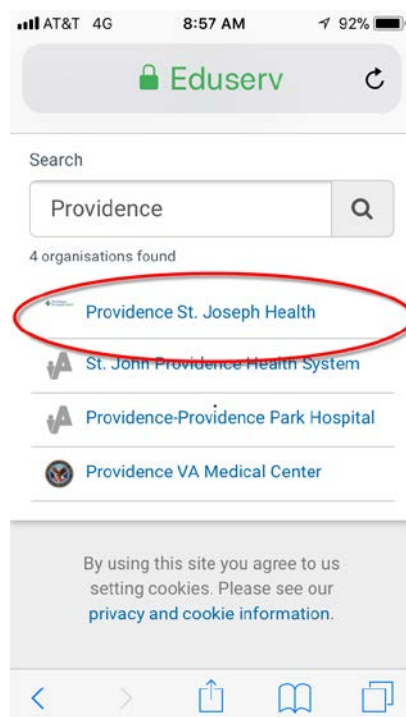

How to access the library's website remotely

Visit www.providence.org/library the login screen will only appear if you click on subscribed content.

- you may see the **Find Your Organization** screen first, follow instructions below.
- or you may only see the **Choose How to Sign in** screen, follow instructions below.

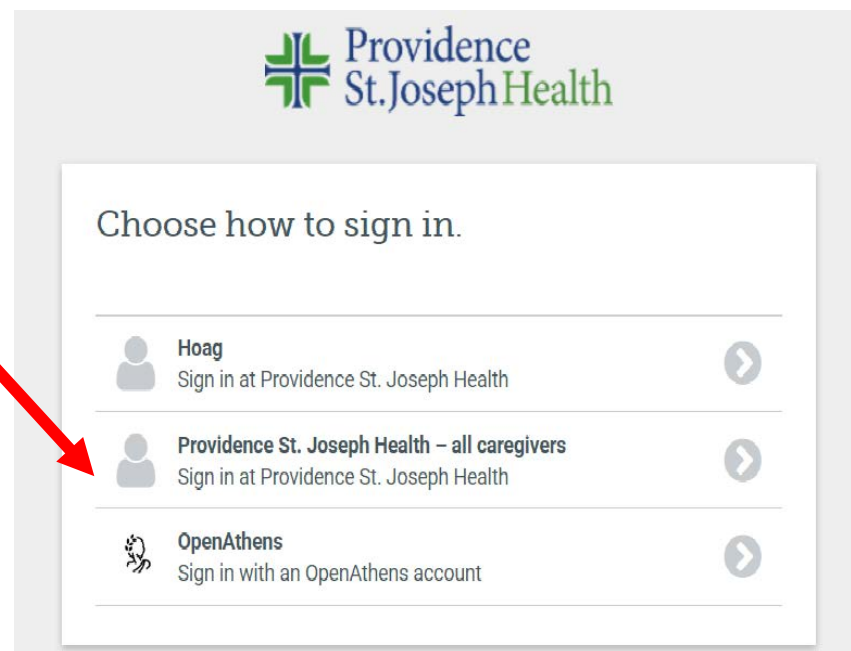

It may be easier to login to Azure myapps.microsoft.com first w/ your network username/password then click the System Library Services app

in Search start typing
Providence
and select
**Providence St. Joseph
Health.**

Select your legacy institution and log in with your network username/password. You'll need to include @stjoe.org or @providence.org after your username.

University of Providence non-PSJH students and faculty select OpenAthens.
