System Library Services has curated a list of the following resources as suggested tools to help Providence Caregivers with understanding the impact of racial inequality in health care. Note: It is not an exhaustive list and are current literature focusing on works that addresses racial discrimination and disparities in medicine. Please reach out to the library if you have any additional suggestions to add to the list.

If you need help accessing any of these resources, please email us at librarian@providence.org or visit providence.org/library.

### Racial Inequities & Racism in Medicine

Printz C. Racism and racial inequities in health care rise to the forefront: Amid the country’s national reckoning on race, experts are renewing their focus on systemic racism in the health care system. Cancer. 2020 Sep 15;126(18):4081-4082.
