

Providence Center For Medically Fragile Children Student Information

Providence Center for Medically Fragile Children is on the Northwest corner of the Providence Portland Medical Center Campus. We are the only pediatric skilled nursing facility in the Pacific Northwest, providing 24-hour long term, short-term, respite and end-of –life care to medically fragile children and young people ranging in age from infancy to 21 years

When a child has profound disabilities and complex medical needs, providing the necessary round-the-clock care can be exhausting and overwhelming. For four decades, families have turned to the Center for Medically Fragile Children at Providence Child Center. Children at the center receive treatment and education essential to their well-being.

Our interdisciplinary care team assesses and treats complex medical conditions. They monitor symptoms, administer medications and provide leading-edge therapies, such as the Providence Child Center Snoezelen room and aquatic therapy. Parents receive information and support to understand their child's complex medical needs.

Many of our children attend classes at Portland public schools; others receive individualized education on site. All children have the opportunity to participate in Providence Child Center activities, including bowling, gardening, dancing, arts and crafts, music and field trips to kid-friendly venues such as the Portland Children's Museum.

Important Phone Numbers

- Operator: 503- 513-8300
- Volunteer Program: 503-215-2470

Parking:

Park in the Providence Portland Medical Center Cancer Center parking garage on 47th Ave. Please don't park in any spaces that indicate patient/visitor parking only. Typically the upper floors of the parking structure is acceptable
