Your CT scan is scheduled for:

(time)

(date)

check box of prep that applies:

Prep for ABDOMEN CT SCAN

- Do not eat or drink (except water) anything four (4) hours prior to exam.
- Thirty (30) minutes before exam, drink one (1) bottle of oral CT contrast.

Prep for ABDOMEN/PELVIS CT SCAN PRIOR to 11 a.m.

- At 9 p.m. the evening before the exam, drink one (1) bottle of oral CT contrast. You may eat and drink as desired after taking the oral contrast until midnight.
- On the morning of the exam, do not eat or drink (except water) anything other than the oral CT contrast.
- Thirty (30) minutes before the exam, drink the second bottle of oral CT contrast.

Prep for ABDOMEN/PELVIS CT SCAN AFTER 11 a.m.

- Drink one (1) bottle of oral CT contrast four (4) hours prior to the exam.
- Nothing to eat or drink (except water) after the first bottle of oral CT contrast.
- Thirty (30) minutes before exam, drink the second bottle of oral CT contrast.

Important notes:

- Oral CT contrast tastes better if it is very cold. Refrigerate prior to drinking.
- Please take your prescribed medications.
- If diabetic, take insulin as directed. You can have a light meal (toast, juice, coffee) after taking insulin.
- Please call (907) 212-3151 to pre-register by telephone prior to appointment. To register in person, come in 15 minutes early.
- Oral CT contrast is available at the Providence Imaging Center Front Desk in all locations.

In Anchorage: 3340 Providence Drive, Building A
Anchorage AK 99508

In Eagle River: 11701 Snowmobile Lane, Suite 101
Eagle River AK 99577
