

Welcome to Providence Alaska Medical Center (PAMC)! The staff from the Perioperative Services Unit are honored that you are having your surgery or procedure at our facility. It is our goal to provide you with an excellent experience throughout your stay. Perioperative Services is working closely with your physician to coordinate your care for your upcoming surgery/procedure. Below we provided some information to help prepare you:

1. A Preoperative Clinic appointment will be scheduled at the same time as your surgery.
2. The Preoperative Clinic is located at **ENTRANCE 3** behind the Main Admitting desk of PAMC.
3. Check in at the Main Admitting desk 15 minutes prior to your scheduled Preoperative Clinic appointment to complete the registration process.
4. To help expedite your registration you may call **907-212-3149** prior to your Preoperative Clinic appointment.
5. Bring these items with you to the Preoperative Clinic:
 - Insurance Card
 - Photo ID
 - Completed Pre-Procedure Worksheet
 - Relevant outside medical records, tests, or papers from the physician

PRE OP CLINIC APPOINTMENT _____

ARRIVE 15 MINUTES PRIOR TO YOUR APPOINTMENT TO COMPLETE THE REGISTRATION PROCESS

Expect the preoperative clinic appointment to take approximately 1 hour so that we can ensure to obtain all the necessary information, lab work, or tests for your surgery or procedure. Call the PAMC Scheduling Department at **907-212-3088** if you need to change the appointment date or time. Thank you for allowing us serve and care for you and your family.
