

Covenant LifeStyle Fitness Membership Payroll Deduction

I authorize Covenant LifeStyle Fitness Centre to deduct appropriate fees from two pay periods each month. This deduction will continue to be made until I discontinue my membership and have done so in writing on the Membership Resignation Form. I understand that these fees entitle me, and my family members, to be enrolled in aerobics, racquetball, pool, sauna, and all exercise equipment and weights.

Each employee pays \$15 per pay period. Your spouse and/or child (age of children able to join are between 12-21) is an extra \$15 per pay period. The next additional children will be considered free. Your maximum membership dues would be \$30 per pay period.
