6. The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive under Section 18004(a)(1) of the CARES Act.

Covenant School of Nursing and Allied Health (which includes the Schools of nursing and radiography) was required to go from face-to-face theory and clinicals to totally online instruction because of COVID-19 restrictions. This occurred as of 3/23/20. We determined that all students were adversely affected by this change, therefore we gave all students the potential to receive the CARES Emergency Financial Aid funding. The amount was divided equally among all students based on their clock-hour status. We also reviewed the CSON Cost of Attendance Survey that was completed in January 2020. Those students that did not file a 2019-20 or 2020-21 FAFSA were evaluated by

the Financial Aid Officer to ensure they met FSA Title IV eligibility. Four students were deemed ineligible due to not meeting Satisfactory Academic Progress. Each eligible student, totaling 253 students received: Traditional RN and Radiography students = \$803.86; LVN-RN students = \$600.37. All students who ended up receiving grants were Title IV eligible.

The Emergency Financial Aid funds for nursing students were disbursed at a Curbside event held at Covenant School of Nursing on 5/12/20 that also included handing out a face mask, providing students with educational material, and offering IT assistance. Please see attached pictures of the Curbside event. The Emergency Financial Aid funds for radiography students were disbursed by the School of Radiography Director.

A second disbursement of funds occurred in July where the remaining funds were awarded to four Covenant School of Nursing student applicants.

7. Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.
