A minimum of 39 hours at upper division are required. RN-BSN courses are upper division (29); therefore, an additional 10 must be upper division (Jr. or Sr. level).

- **All nursing courses are “blocked” on either a Tuesday or Thursday.**
- **This allows you to take off one day a week to complete your BSN.**
- **Additionally all nursing classes are in 8 week sessions which allows you to complete some courses before other courses begin.**

**3200 is to be taken in entering semester*

***4318 is the capstone course taken in student's last semester*
