

2023 Declaration Letter for Clinical Instructor/Student(s):

To: Santa Rosa Memorial Hospital Student Liaison

From: Clinical Coordinator Name***

Date: Month day, year

Re: School***

Beginning and End date(s) of student(s) eligibility: *mm-dd-yyyy-mm-dd-yyyy*

Total number of clinical practicum hours requested: **** hrs*

The student(s) listed below have completed their basic health and clinical requirements and will complete the required orientation and forms as a part of their hospital orientation.

- **COVID VACCINATION STATUS:** All students and faculty have been fully vaccinated and have received one booster. Fully vaccinated means at least 2 weeks after the final dose in either a 2 dose vaccine series (Pfizer or Moderna) or the single dose series (Johnson & Johnson/Janssen).
- **Clear drug screen**
- **Health Screen:** Indicate free of infectious disease, able to work with or without accommodation (school will provide accommodations as needed) and signed by MD, DO, NP, or PA.
- **PPE Competency**
- **Respirator Training:** N95 fit mask testing is required and provided by the education institution.
- **Criminal background check clearance**
- **Initial TB clearance:** Negative two step TB skin test. Negative TB skin test annually thereafter, or an initial negative chest x-ray for students with a history of a positive TB skin test *and* completion of a symptom review form indicating student is free of any tuberculosis symptoms (form will be completed annually)
- **Current BLS** for Healthcare Provider (AHA certification)
- **Tdap** within the past ten years
- **MMR immunization** (two doses) or positive titer for Measles, Mumps, and Rubella
- **Varicella immunization** (two doses) or positive titer
- **Hepatitis B immunization.** Students have had at least two vaccines in the series of three by the start of clinical and will complete the third vaccine within six months of admission to the program.
- **Influenza vaccine:** All students will be required to have the influenza vaccine annually during the customary immunization period unless they have a medical contraindication. Students with a medical contraindication will be required to wear a mask during flu season consistent with agency policies.

The above documents are on file at Sonoma State University at 1801 East Cotati Ave, Rohnert Park, CA.

2023 Declaration Letter for Clinical Instructor/Student(s):

By signing below, I verify that I am able to produce documentation of any and all of the above upon request for up to 6 years.
