

The Queen's Heart Safe Program is a collaboration between Queen of the Valley Medical Center and Via Heart Project in an effort to provide CPR training and automated external defibrillators (AEDs) to all businesses, organizations, and schools in Napa County.

AED Sponsorship

By sponsoring the purchase of an AED package and/or CPR/AED training, you will be increasing the number of AEDs in the county, reducing the time to defibrillation, and potentially improving survival from sudden cardiac arrest (SCA).

In addition to the knowledge that you are helping to make Napa County a Heart Safe Community, sponsors of an AED package will also have a plaque of recognition attached to the AED wall cabinet.

Sponsorship Levels:

- Heart Safe Helper: AED Sponsorship only: \$2100
- Heart Safe Leader: AED and Training Sponsorship: \$2700
- Heart Safe Hero: AED, Training, and 10 year Maintenance Sponsorship: \$4500

Amount of donation if different than above: _____
