In-home Services

When living at home gets more challenging, PACE is here to help.

In-home services through Providence PACE provides older adults with the care network they need to continue living safely at home. In-home Services are one part of the comprehensive package you get with Providence PACE.

In-home Services may include:

- Meal preparation, shopping, errands
- Housekeeping
- Medication reminders
- Help with personal care, such as bathing, dressing and grooming
- Regular visits to a PACE center for activities, meals, socialization, and medical care

Coordinated care today, with additional options for tomorrow.

PACE contracts with in-home agencies that provide trained, compassionate caregivers. Your PACE Home Care Coordinator keeps your services on track and resolves issues that arise.

If your needs change, your Interdisciplinary Care Team will help you transition to the right level of care. Providence PACE offers a continuum of living options, including PACE-supported housing and contracts with numerous care facilities throughout our service area.
