

# Providence PACE

PACE (Program of All-Inclusive Care for the Elderly) surrounds each participant with coordinated medical care, long-term care, and social services, providing them with the support they need to live as healthy and independent as possible.

**Your Care Team consists of many specialists with geriatric care expertise.**

**PACE care includes these services and any other care identified as medically necessary by your PACE Care Team.**

# Providence PACE

## PACE is open to anyone who is:

- Age 55 or older
- In need of support services as defined by the state of Oregon
- Able to live in their own home or in an assisted care setting
- Living in or relocating to our service area
- Medicaid eligible or willing to pay privately (The PACE premium equals the Medicaid rate)

## PACE Services include:

- Primary medical care
- Specialty medical care, such as cardiology, pulmonology, and orthopedics
- Dental, vision, hearing, and foot care
- Coordinated care and customized care planning
- In-home care
- Home health care
- Recreational and therapeutic activities
- Medications, medical supplies, and equipment
- Physical, occupational, and speech therapy
- Adult day services, social activities, and meals
- Hospitalizations and medical procedures
- Emergency and urgent care and 24/7 on-call provider coverage
- Transportation to and from the health and social center and medical appointments
- End-of-life care

Call us to discuss your options. A PACE Intake Assessment Representative will provide you with more details about state guidelines and eligibility.

*All authorized services are covered in full for PACE participants. PACE participants must receive all needed health care, including primary care and specialist physician services (other than emergency services) from the PACE organization or from an entity authorized by the PACE organization. PACE participants may be fully and personally liable for the costs of unauthorized or out-of-PACE services. Emergency services are covered.*
