

## ORLS CPT CODE STATEMENT

The American Medical Association Current Procedural Terminology (CPT) codes published in the Oregon Regional Laboratory Test Catalog are provided for informational purposes only. The codes reflect our interpretation of CPT coding requirements based upon AMA guidelines published annually. CPT codes are provided only as guidance to assist clients with billing.

The Oregon Regional Laboratory strongly recommends that clients confirm CPT codes with their Medicare administrative contractor, as requirements may differ. CPT coding is the sole responsibility of the billing party. The Oregon Regional Laboratory assumes no responsibility for billing errors due to reliance on the CPT codes published.
