Family Medicine and Sports Medicine

Our Family Medicine providers are part of an integrated network of caregivers and specialists which makes it possible to care for patients of all ages from birth to end of life.

If there is one thing that sports and medicine share, it's the desire to get you better. Whether you are starting out in sports, competing at a high level or committed to remaining active, our Sports Medicine providers are here to help you. Some of the services provided through our Sports Medicine clinic include: sports physicals, concussion treatment, ultrasound evaluations, injections for pain and inflammation, sports injury treatment, non-operative fracture management and osteopathic manipulation.

Hours of Operation and After-Hours Service

Our office is open from 7:00am-5:00pm, with phones on from 7:30am-5:00pm Monday through Friday. Providence Medical Group Tanasbourne has physicians on call for after-hours urgent or emergent needs that cannot wait until clinic hours to be addressed. To contact the on-call physician please call our office at 503-216-9300. You will be directed to the after-hours RN advice service. They will triage your concern and, if needed, contact the physician on call.

Please contact your pharmacy directly for any refills and your pharmacy will contact us if necessary. Please allow 72 hours to process a refill request.
