

Orange Room March 2021

Kay, Davina, Ashley

March 1-5 "Dr. Seuss"	We are going to celebrate one of our favorite authors this week, Dr. Seuss! We have LOTS of books (of course) and some really fun art planned.
March 8-12 "Transportation"	Since we seem to always be on the "GO" we thought we'd do our theme on transportation this week! We have fun books about planes, trains and automobiles!
March 15-19 "Luck of the Irish"	The Orange Room is going green this week! We have some St Patrick's Day activities with shamrocks, books and rainbows!
March 22-26 "Spring is in the Air"	Spring is here! Well at least according to the calendar! We thought we'd get ready for spring by planting some flower seeds.

Construction/ Exploration:

Handprint Fish

10 Apples Up On Top

Shamrocks

Rainbows

Potato Masher Prints

Footprint Robins

Sensory table:

Rainbow Spaghetti

Flower seeds and soil

Cooking/Science:
