

Charity Care/Financial Assistance Application Form Instructions

This is an application for financial assistance (also known as charity care) at Covenant Health System.

Federal and state law requires all hospitals to provide financial assistance to people and families who meet certain income requirements. You may qualify for free care or reduced-price care based on your family size and income, even if you have health insurance. What does financial assistance cover? The medical financial assistance covers medically necessary hospital care provided by one of our hospitals depending upon your eligibility. Financial assistance may not cover all health care costs, including services provided by other organizations.

If you have questions or need help completing this application: Our financial assistance policies, information about the programs, and the application materials are available on our website or via phone.
